QWYDDY

make your friends happy

BETA

QWYDDY IS LOOKING FOR COFOUNDER!

THE IDEA

Qwyddy's idea is to build a social network aimed at incentivizing users to suggest products on sale to their friends.

It's goal is simplifying, rationalizing and making the sales chain of product and services transparent, with the ambition to become "the Airbnb of recommendations".

STATE OF THE ART

- The development of the website and of the App is in advanced state;

- The details are built on the analysis of the situation, the needs of the users and the study of competitors;

- We are in contact with an important international level incubator.

WHAT WE NEED

- A Web Marketing expert, able to take care of both the strategic and operative aspects;

- Web Design and UX skills are a plus;

- Reliability, ability to work in team and inclined to work with us in the long term.

WHAT WE OFFER

A participation in the Startup assets proportional to the real commitment, and a primary role in the Company.
